

Commercial High-Efficiency Washing Machine Rebate Program

The Commercial High-Efficiency Washing Machine Rebate Program provides a \$220 Rebate to CCWD customers who purchase new high-efficiency washers

For a limited time, Contra Costa Water District (CCWD) multi-family and commercial customers can receive a \$220 rebate for purchasing and installing new commercial high-efficiency clothes washer(s).

A list of qualifying commercial washers, washers with a water factor of 4.5 or less, can be found at the web site www.cce1.org.

In addition, to qualify for the Contra Costa Water District's **Commercial High-Efficiency Washing Machine Rebate Program**, customers must:

- ◆ Install machines in common area multi-family laundry or commercial coin laundry in the Contra Costa Water District service area which includes: Antioch, Bay Point, Clayton, Clyde, Concord, Martinez (parts), Oakley, Pacheco, Pittsburg, Pleasant Hill (parts), Port Costa, and Walnut Creek (parts).
- ◆ Purchase or Lease (5-year lease) your *high-efficiency-washer* (water factor of 4.5 or less) after January 1, 2010 and install within the CCWD service area.
- ◆ Obtain, complete, and return a CCWD washer application rebate form by contacting CCWD Commercial Washer Program at 925-688-8234.

*CCWD reserves the right to deny ineligible or incomplete applications
