REBATE AGREEMENT - RELEASE OF LIABILITY

Rebate check will be made payable to the water customer of record. The District may deny any application that does not meet all of the program requirements, which can be obtained by reading the *Program Terms and Conditions for Participation* on the back of this form. CCWD reserves the right to alter this program at any time.

The undersigned agrees to allow the District to inspect all washer installations as a condition to obtaining a rebate under this program. By listing High-Efficiency Washers on the CEE List of Qualified Washers, the District is merely establishing eligibility for a rebate under this program and does not endorse or recommend any of the washers so listed. The District is not responsible for the quality of the washer purchased and does not warranty any washer, or any fixture comprising a component in any washer, or the installation of any washer. The District does not warrant or guarantee lower water bills as a result of participating in the Program. The District is not responsible for any damage that may occur to applicant's property as a result of removing the washer or installing the new washer under this program.

The undersigned agrees to hold harmless Contra Costa Water District, its directors, officers, and employees from and against all loss, damage, expense and liability resulting from or otherwise relating to the purchase, installation, use, or removal of a toilet. **By signing this form I agree that I have read, understand, and agree to the terms and conditions of this rebate program, including the *Program Terms and Conditions for Participation* section on the back of this application (see reverse side).**
