(dogs allowed, but not in marsh)

Big Break Road, north of

Vintage Parkway

Oakley, CA

This spring, the Contra Costa Water District will start construction to expand Los Vaqueros Reservoir from 100,000 acre-feet to 160,000 acre-feet.

CCWD is doing all it can to keep the watershed open for safe recreation during construction. The expansion will take about 18-months to complete.

Fishing and the Marina will remain open, with access only from the South side of the nearly 20,000-acre watershed near Livermore. The reservoir's water level will remain close to 50,000 acre-feet during the first phase of construction. Call the Marina at (925) 371-2628 or visit our website at www.ccwater.com/losvaqueros for updates.

The Entire North Side of the watershed near Brentwood -- including all trails and the Interpretive Center -- are closed (please see the map on the back side of this brochure).

The Miwok Trail near Round Valley is open for equestrians.

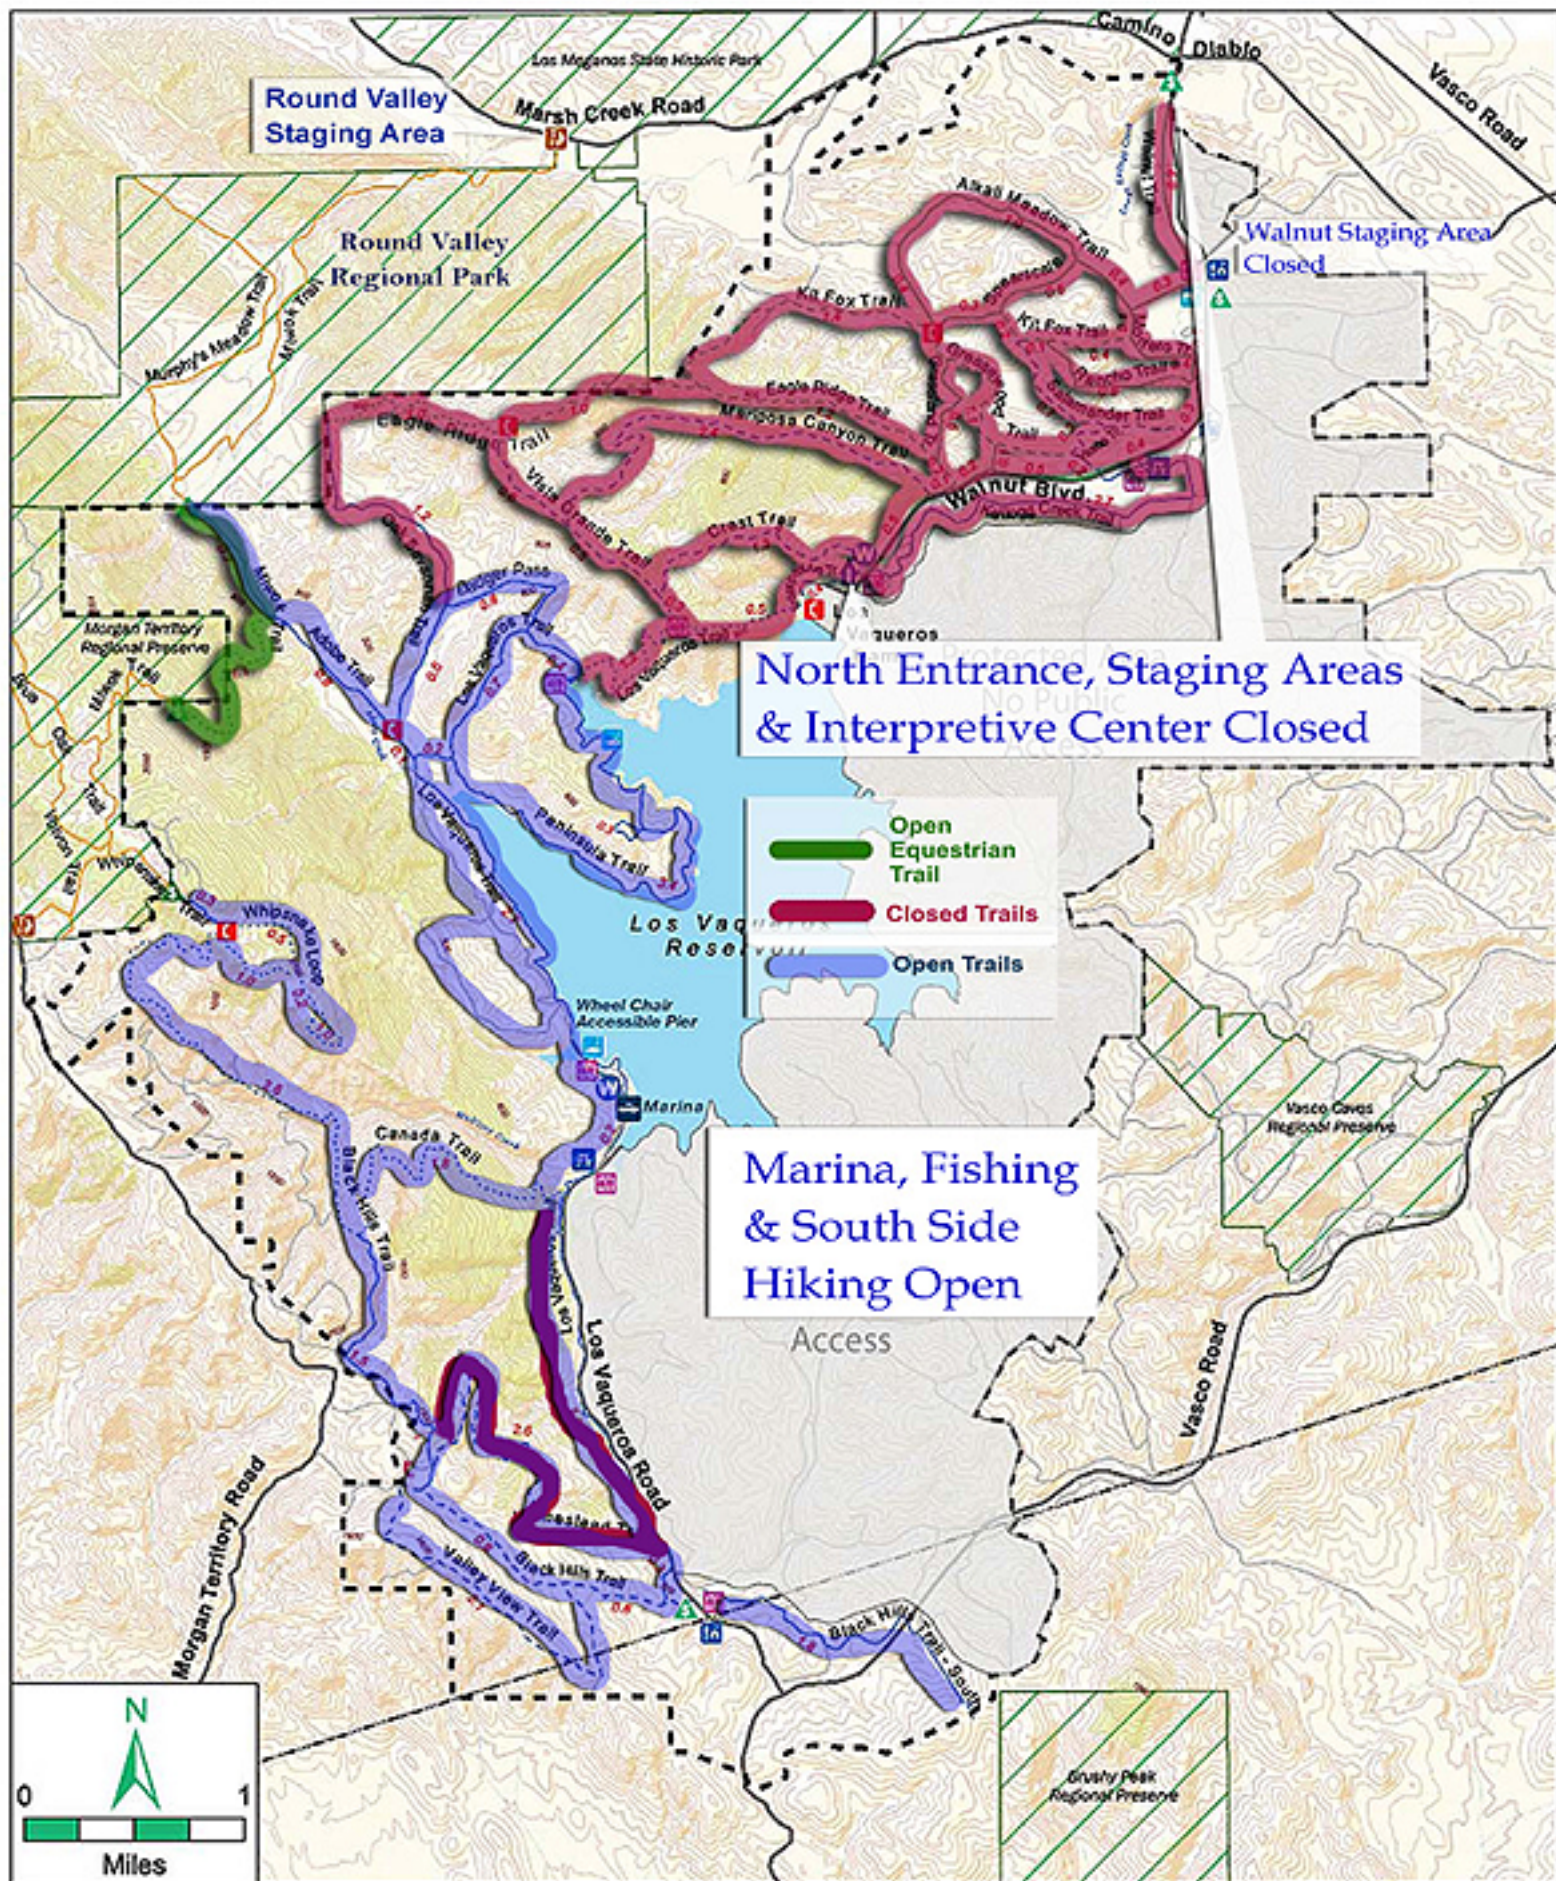

Call the Marina at (925) 371-2628 or visit our website at: www.ccwater.com/losvaqueros for updates.
