By signing below, I agree to the Terms & Conditions of Contra Costa Water District's Water-Efficient Landscape Rebate Program. I also agree to not re-install turf in the replacement area or to revert the irrigation system to overhead spray. I understand that Contra Costa Water District may use photographs of my project and property in the normal course of its business. I understand that my lawn removal project will be ineligible for the program if I remove the lawn before receiving a Notice To Proceed letter from Contra Costa Water District.

Date

Steps To Proceed:

1. Call the Water Conservation office at 925-688-8320 to schedule a "Pre-Inspection" and have the lawn area measured by CCWD staff.
2. Return this **application** and a **list of the plants** you plan to use to:

Water Conservation Department
Contra Costa Water District
PO Box H2O
Concord, CA 94524
3. Await receipt of the "Notice To Proceed" letter from CCWD.
4. Remove the lawn and install your project according to the program Terms & Conditions.
5. Call the Water Conservation office at 925-688-8320 to schedule a "Post-Inspection".
