**Contra Costa Water District
 Notice of Public Hearing on Potential Water Rate and Charge Increases**

Wednesday, January 4, 2012 at 6:30 p.m.

Board Room - 1331 Concord Avenue, Concord CA

The Contra Costa Water District wishes to notify you of a Public Hearing where untreated water revenue increases of up to 3.5% will be considered. Public comments and written protests may be submitted to the District prior to, and at the Public Hearing. Following the Public Hearing, the Board will consider the adoption of the proposed revenue increases. The revenue increase will apply to the quantity charge and monthly service charge components of the water rate. If a 3.5% revenue increase is approved, the increase to a Landscape customer using 1,000 gallons per day would be approximately \$2.72 per month. The increase to a Municipal/Industrial customer using 100,000 gallons per day would be approximately \$185 per month. For unmetered landscape irrigation service, a 3.5% increase would be \$6.14 annually per 0.1 acres of irrigated property.
