- During the Committee meeting, you may hear an announcement: “Muted.” This is to prevent unintended background noises, such as dogs barking, sirens, etc., from disrupting the meeting. While the line is muted, you will still be able to hear the meeting. An announcement of “Unmuted” signals you can be heard by all participants.

- There will be several opportunities during the meeting to provide Public Comment and ask questions. The meeting facilitator will first ask Board members for their comments and then ask for Public Comments. Depending upon the number of public in attendance, the Public Comments may be taken in one of two ways.
 1. The meeting facilitator will announce: “Callers May Speak Freely.” To provide your comment, you will need to take your phone off “Mute.” Please state your name, so the Committee may personally address you and allow separation of Public Comments in the post-meeting report and provide your comment.
 2. A “Q&A” Session will be used when there are larger numbers of public in attendance. All callers are muted and there will be an announcement: “Q&A Session has started.” Please follow the voice prompts after the announcement to be placed in the speaker’s queue. The prompts are:
 - “To ask your questions, please press star 6 (*6)”
 - “Press one (1) to add yourself to the queue”
 - You should then hear the announcement: “Your request has been received.”
 - Comments will be taken in the order received.
 - It is your turn when you hear the announcement: “You may now ask your question.”
 - Please state your name, so the Committee may personally address you and allow separation of Public Comments in the post-meeting report.
 - Please let the Committee know when you have completed your Public Comment.
 - An announcement: “Muted” will acknowledge that your Public Comment has ended.
 - When there are no further Public Comments for the item, the Q&A Session will be closed with the announcement: “Q&A Session is over”
