9. Next Meeting: November 13, 2019

Committees of the Board review and study issues that may appear on the Board agenda and may include a recommendation to the Board. The Directors appointed to the Operations and Engineering Committee are Chair President Borba and Director Avila. Please contact the District Secretary at (925) 688-8024 if you would like to discuss any of the items on the agenda with a member of the Committee. District facilities and meetings comply with the Americans with Disabilities Act. If special accommodations are needed for you to participate, please contact the District Secretary as soon as possible, but preferably at least two days prior to the meeting.
