

# LOS VAQUEROS RESERVOIR ENLARGED

## Watershed Will Open to the Public July 14

The Los Vaqueros Reservoir has been enlarged by 60 percent to a capacity of 160,000 acre-feet. This will ensure water quality and supply reliability for the 500,000 people in Central and Eastern Contra Costa County served by the Contra Costa Water District.

Construction will be completed this summer, and the entire watershed will reopen at 6 a.m. on Saturday, July 14. For that day, you can visit free of charge and participate in fun, educational programs offered at the John Muir Interpretive Center. For more information and a schedule of events, go to [www.ccwater.com](http://www.ccwater.com) or call (925) 688-8010 for a mailed flier.

# Lose the Lawn and Get a Garden

CCWD is offering rebates to encourage customers to replace their front lawns with Water-Efficient gardens. A few of the benefits of replacing your front lawn include:

**Save Water • Eye-Catching and Colorful Yard • No More Mowing**

Up to  
**\$500**

**Residential Homes**

Up to  
**\$5,000**

**Commercial Properties**

To participate, pre-approval by the District is required. For program information and terms and conditions, contact the CCWD Water Conservation Office at [www.ccwater.com/conserves](http://www.ccwater.com/conserves) or call (925) 688-8320.
