FY19/FY20 On-Call Potholing Services
Project No. 102500

Subject: Addendum Number 1 for FY19/FY20 On-Call Potholing Services, PN102500

Dear Proposers:

Notice is hereby given that the following revision for FY19/FY20 On-Call Potholing Services is hereby made a condition of and incorporated into the RFP.

- Line 8 of Attachment 4 in the RFP (Cost Evaluation Form) requesting pricing for **“Each pothole up to five (5) feet - night work (including vehicle and labor)”** has been removed from the proposal. Pricing information for this item should **NOT** be included in your proposal. Please use the attached updated Cost Evaluation Form with your submittal.

Please note the following: The bid deadline for receiving proposals remains unchanged, the date and time is Thursday, May 10, 2018 by 5:00 p.m.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Hentz", is written over a light blue horizontal line.

Chris Hentz, P.E.
Engineering Manager
