Bids/proposals must be submitted only upon the forms provided in the bid/proposal package, including but not limited to pricing sheets, addenda acknowledgement and bid/proposal guaranty, with all items properly filled out in non-erasable permanent ink. All bid/proposal documents must be signed and dated where required. The bid/proposal form may be rejected if it shows any omissions, alterations of form, a conditional bid/proposal or irregularities of any kind.

All sealed bids and proposals to be considered for acceptance must be received by the District on or before the specified date and time for submittal. Bids/Proposals received after said date and time will be returned to the sender unopened and will not be considered under any circumstances. Bids/Proposals postmarked but received after the bid opening will not be accepted.

All **bids** will be publicly opened and read aloud at the District's headquarters at 1331 Concord Ave, Concord, CA, 94520 at the time and date specified via conference call provided in the bid document. Bidders are invited, but not required, to attend the bid opening. Bids will be awarded by the District to the lowest, responsive and responsible bidder meeting the specifications, and results posted on the District's web site.

The Contra Costa Water District reserves the right to reject any and all bids/proposals and to waive informalities, irregularities or technical defect in the bids/proposals received. The District reserves the right to award a contract to other than the lowest responsible Bidder, if it is determined to be in the best interest of the District.

1.2 Estimated Quantity

Unless otherwise stated and as applicable, the quantities and/or dollar estimates indicated are estimates of anticipated usage for the contract period and are given for informational purposes only. Nothing in these estimated contract period or annual quantities shall be construed as obligating the District to purchase specific quantities, as these quantities may vary depending on actual operating conditions and demands during the contract term. The District reserves the right to purchase any volume of products or services listed, at the contract price, regardless of stated estimates of quantities or dollar estimates. No price adjustments will be allowed as a result of an increase or a decrease in the quantity purchased.

1.3 Delivery Locations

The District's service area covers the eastern portion of Contra Costa County and has delivery locations in Concord, Oakley and Brentwood California. The Bidder/Proposer must take into consideration deliveries to any or all of these locations, if required.

1.4 Bid/Proposal Pricing

All bids/proposals submitted must include a stated unit price for the products or services listed. Units of measure can vary but will be described in the bid/proposal documents. The stated unit price must include all costs associated with providing and delivering the products or services including materials, labor, equipment, transportation, insurance, overhead, and profit. State sales tax, as well as any Federal, State, or Local excise taxes in effect at the time of delivery should **not** be included in the bid/proposal price unless specifically requested on the pricing sheet, but applicable taxes must be included on all invoices that correspond to deliveries of products or services.

Bids/Proposals qualified by additional or conditional charges such as Consumer Price Index calculators, fuel surcharges, or transportation charges between the supplier and the final delivery points will not be allowed unless otherwise stated. Bids/Proposals that do not include the unit prices will be considered irregular and, at the option of the District, may be eliminated from further consideration.

1.5 Bidder Qualifications

A qualified Bidder is one determined by the District to meet standards of business competence, reputation, financial ability, and product quality. A responsive Bidder is a firm/person who has submitted a bid that conforms in all material respects to the terms and conditions, the specifications of the product, and any other requirement of the bid instructions. A responsible Bidder is a firm/person who has the capability in all aspects to perform full contract requirements, and who has the integrity and reliability that will assure good faith and specific performance. Before submitting a bid, the Bidder must carefully examine and read all parts of the Bid Documents, and be fully informed as to all existing terms, conditions and limitations. It should be noted that the entire contents of the Bid Contract Documents will be part of the agreement upon selection and approval of the successful Bidder/Proposer.

1.6 Authorized Signatory of Bid/Proposal Contract Documents

The person signing the submitted bid/proposal must be fully authorized to represent and legally bind the bidding/proposing company regardless of their position within that firm.

1.7 References

Where specifically requested, the Bidder/Proposer must submit with the bid a list of a minimum of three references that have purchased similar products and/or services from the Bidder/Proposer. The Bidder/Proposer must provide the company or agency name, contact name, and telephone number for each reference.

1.8 Bid/Proposal Submittal

All bid/proposal submittals sent via US Mail must be enclosed in a sealed envelope and clearly marked with a description of the products or services to be provided by the date and time specified. The original and any additional copies specified of the bid and all attachments must be submitted. Consistent with the current Shelter In Place (SIP) order, bids may be submitted electronically directly to the contact staff person listed herein. It is the Bidder's/Proposer's responsibility to ensure that any bid/proposal that is submitted is received in the proper format, time, and place. The Bidder/Proposer is responsible for allowing adequate time for delivery of their bid/proposal by hand delivery, express delivery, US Mail,

or by other means. Bids/Proposals received after the date and time specified will not be accepted and will be returned to the Bidder/Proposer unopened.

1.9 Modification, Addenda, and Interpretations

Any explanation desired by the Bidders/Proposers regarding the meaning or interpretation of the bid/proposal documents may be requested in writing via email at least **7 days** prior to the time set for the bid opening/proposal due date.

Any changes made to the bid/proposal documents initiated by the District will be through written addenda and furnished to all bidders/proposers via email or other electronic means. Any written addendum issued before the date and time of the bid opening or proposal due date will become a part of the Bid/Proposal Contract Documents and must be acknowledged as required by the provisions of this ITB. Failure to submit any and all the addendum(s) with a bid/proposal will be cause for rejection of the bid/proposal.

1.10 Modification of Bids/Proposals

A Bidder/Proposer may modify their bid/proposal by written communication provided such communication is received by the District prior to the date and time of the bid opening or proposal due date. The written communication should not reveal the bid price and should state the addition or subtraction or other modification so that the final prices or terms will not be known by the District until the sealed bids/proposals are opened.

1.11 Withdrawal of Bids/Proposals

Any bid/proposal may be withdrawn any time prior to the stated bid opening or proposal due date and time (opening time) only by a written request that is filed with the District requesting withdrawal of the bid/proposal. The withdrawal request must be executed by the bidder/proposer or a duly authorized representative. The withdrawal of the bid/proposal does not prejudice the right of the bidder/proposer to file a new bid/proposal prior to the bid/proposal closing time. No bids/proposals may be withdrawn after the opening date and time without the permission of the District and in accordance with applicable state laws.

1.13 Competency of Bidders/Proposer

Before any contract is awarded the bidder/proposer may be required to furnish a complete statement of financial ability and experience in performing the proposed services. In accordance with the provisions of the California Business and Professions Code and other regulations, the bidder/proposer must have and maintain current any and all necessary licenses or certificates.

1.14 Rejection of Bids/Proposals

The District reserves the right to reject any and all bids/proposals, and reserves the right to waive and/or reject a bid/proposal for any of the following reasons: informalities, nonconforming, non-responsive or conditional bids/proposals, bids/proposals showing any alterations of form or erasures or irregularities of any kind, additions not called for, incomplete bids/proposals, or bids/proposals not conforming with the written instructions in any way. The District does not obligate itself to accept the lowest cost bid or proposal or any particular bid or proposal and specifically reserves the right to reject any or all bids or proposals, to make any rejections in what it alone considers to be in the best interest of the District.

1.15 Opening Bids

After the closing time deadline, all **bids** received will be publicly opened and read, as set forth in the Invitation to Bid documents. Bidders or their representative and other interested persons may be present at the opening and reading of the bids, subject to current in-person restrictions. Following the bid opening, a bid tabulation will be circulated to all of the responsive bidders.

Proposals will be evaluated based on stated evaluation criteria and scored. Highest ranking proposal will be selected for award. The District reserves the right to interview highest ranking firms for final selection.

1.16 Method of Award

Bids will be awarded by the District to the lowest, responsive and responsible bidder meeting the specifications. The District has the right to delete terms or options from the Bid Contract Documents and reserves the right to reject any and all bids and to waive irregularities in said bids. The following is a non-inclusive list of criteria that will be used in Award of the Bid.

- a. Unit cost of the product
- b. Product specifications
- c. Guaranteed warranties or standards of quality
- d. Capabilities to deliver product within District schedule or throughout the contract term
- e. Bidder's reputation, competency, and previous customer service record
- f. Fully executed non-collusion affidavit

1.17 Disqualification of Duplicate or Collusive Bidders/Proposers

More than one bid/proposal from an individual, a firm or partnership, a corporation or an association under the same or different names will not be considered. Reasonable grounds for believing that any Bidder/Proposer with financial interest in more than one bid/proposal for the bid/proposal contemplated will cause rejection of all bids/proposals in which such bidder/proposer is interested. If there is reason for believing that collusion exists among the bidders/proposers, any and all bids/proposals may be rejected.

1.18 Identical Bids

In the case of tied or identical bids corresponding to the proposed unit costs, the District reserves the right to award the bid based on the factors outlined in paragraph 1.16, Method of Award.

1.19 Bid/Proposal Summary

Contractor agrees to obtain and provide to the District any endorsement that may be necessary to affect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the District for all work performed by the Contractor, its employees, agents and subcontractors.

The successful bidder/proposer must maintain the required insurance at all times while this contract is in effect, and must replace any certificate, policy or endorsement which will expire prior to that date. All policies must be endorsed to provide that the required insurance must not be suspended, voided, reduced, canceled, or allowed to expire except on thirty (30) days prior written notice to the District. The Certificate of Insurance must have a cancellation statement worded as follows:

“Should any of the above described policies be cancelled before the expiration date thereof, the issuing company will mail 30 days written notice to the Certificate holder named to the left.”

1.28 Patent Guarantee

The bidder/proposer must, with respect to any bidder/proposer's standard manufacture, indemnify and hold harmless the District, its employees and agents, from costs and damages as finally determined by any court of competent jurisdiction for infringement of any United States Letters & Patent by reason of the sale or normal use of such product, provided that the Bidder/Proposer is promptly notified of all such actual or potential infringement suits, and is given an opportunity to participate in the defense thereof by the District.

1.29 Term of Contract

Other parties utilizing the contract will place orders with, and make payments directly to the successful Bidder.
